

PRINTING SOLUTIONS FOR FURTHER & HIGHER EDUCATION

Engage and inspire students with vibrant indoor and outdoor communications, printed in-house, on-demand.

ENGAGE & INSPIRE YOUR STUDENTS

Invigorate your printed communications and drive student engagement with eye-catching printing

Whether it's communicating Open Days for potential students, Fresher's Week activities, student events, or everyday signage and documents, high impact, vibrant printed materials can make all the difference.

Thanks to our award-winning Digital LED Technology, OKI printers can enable you to print all of the signage you need, as well as your day-to-day printing, all from one compact and cost effective device.

This means you can print what you need, when you need it, saving on lead times, expensive minimum order quantities and delivery costs from out-sourcing, whilst enabling you to react quickly to last minute changes.

With OKI, one printer can do it all!

- Indoor & Outdoor Campus Signage
- Floor & Window Stickers
- Prospectuses & Marketing Material
- Posters, Flyers & Direct Mail
- Event Wristbands
- Membership & ID Cards
- Safety & Hygiene signage

THE DESIGN HUB

All your print and design needs, in-house

No wastage, no set-up costs, no delays.
Not everyone has access to in-house graphic designers which is where The Design Hub, powered by Shoppa can help.

The Design Hub provides a wide range of templates, imagery and content, available in a simple, easy to use online platform. Partnered with an OKI printer, you no longer have to wait for a professional designer or a print shop to create, print and deliver in bulk, you can simply **produce** your artwork, **print** it on-demand, and **place** it where you need it. Reducing lead times, bulk and minimum order quantities and delivery costs - and wastage! You can simply **Produce > Print > Place!**
