

SAMSUNG

Why choose the Samsung E-Board Series?

WAC E-Board

Boost learning with familiar UX

Android OS-based operating system

- Familiar, intuitive and convenient to use.
- Important apps and tools can be conveniently added to the home screen bar for easy access.
- Excellent compatibility with other Android devices enables seamless connectivity.
- Customisable home screen that brings added convenience featuring frequently used apps.

Display multiple screens at once

Easy multitasking

- Allows educators to access all the info they need to create engaging learning environments.
- A variety of screen modes to choose from including split screen, picture-in-picture and screen mirroring.
- Share up to 9 screens simultaneously.

Bonus features

- Enhanced connectivity with a 3-in-1 USB-C port that enables display mirroring, touch control and external charging.
- Use 2 different writing tools at the same time with Dual Pen function.
- Compatible with Mac, Windows and Chrome OS.
